

Sutorbilt Legend Shaft Configuration Guide

The Sutorbilt Legend Series features Universal Foot & Flex-Mount™ design to provide installation versatility.

3-6" R versions feature the "universal" mounting feet which allow them to be mounted in vertical and horizontal configurations with the same mounting feet.

2", 7" & 8" P versions feature Flex-Mount™ design which allow vertical and horizontal configurations using either horizontal or vertical feet.

Use the illustration below to select the required shaft configuration. Your blower will be shipped to you as specified in your order.

- ☐ **Horizontal Configuration
Right Hand Drive
RHC**

- ☐ **Vertical Configuration
Bottom Hand Drive
BHC**

- ☐ **Horizontal Configuration
Left Hand Drive
LHC**

- ☐ **Vertical Configuration
Top Hand Drive
THC**
